Terms of Coverage:

This Full Service Home Inspection Guarantee ("Guarantee") is only for the benefit of the person(s) identified as the client in the contract for inspection services ("Client") provided by Pro Spex Inc. Professional Home Inspection Service ("Company") and is not transferable.

This Guarantee is effective for either ninety (90) days from the date of the inspections or thirty (30) days after the Client takes ownership of the property, whichever is later ("Guarantee Period"). This Guarantee is for residential properties only and does not provide coverage for any of the systems or components identified as Excluded terms as set forth in the Guarantee. All claims submitted by the Client under the terms of the Guarantee must be received by the Company administrator on or prior to the date of expiration of the Guarantee Period. To assist in claims processing, the home inspection report issued by the Company will be considered an addendum to this Guarantee and is incorporated herein by reference.

Guarantee #1: Every Full Service Home Inspection is covered by this guarantee. If not satisfied, we will pay another company of your choosing (up to the amount you paid the Company) to perform another inspection providing the same service. This claim must be filed the day of the inspection. No report will be issued under this claim.

Guarantee #2: If the Company fails to identify and disclose a visible defect during a Full Service Home Inspection the Company will send someone to fix it at no cost to the Client or the Company will pay up to One-Thousand (\$1000.00) Dollars or refund the home inspection fee, whichever is greater. This only applies to Full Service Home Inspections. This Guarantee will only provide coverage for items that are readily visible and accessible at the time of the inspection, that the Company may have missed. Failure to follow company recommendations prior to purchase could void this guarantee.

Guarantee #3: If the Clients contract falls thru for any reason after a Full Service Inspection is complete, schedule another appointment within Thirty (30) days and get fifty (50%) percent off the home inspection fee only. This only applies to Full Service Home Inspections.

Because we are guaranteeing our work, it is very important that the defect found not be disturbed and that we are notified immediately. Do not call a contractor or allow a 3rd party to alter the conditions. If a contractor is needed, we will provide one suitably licensed and insured. Allowing an unauthorized 3rd party to alter the conditions will immediately void coverage under this guarantee.
